Ryland Haney conducted the Opening Ceremony.

Councilmember Jones moved to approve the minutes from the August 18, 2015 and September 22, 2015 work sessions, the September 22, 2015 policy session and the October 6, 2015 special session as written, seconded by Councilmember Young. The motion carried upon the following vote: Voting AYE – Councilmembers Benson, Bush, Jones, LeBaron and Young. Voting NO – None.
PRESENTATION ON HOPE CENTER

Dr. Ron Brown from Hope Church introduced himself to the Council and shared information regarding the Hope Center in Clearfield. He explained the mission of the Hope Center and stated it offered services to the poor and working poor residents within the community. He reported the Center had assisted hundreds of families thus far and emphasized the assistance was used to help those in need break free from government assistance. He stated the Center also provided mental health counseling to individuals needing those types of services. Mr. Brown stated in order for the operation to be successful it was imperative to recruit advocates for good legislation and funding.

Mr. Brown announced Councilmember Benson and Bush had participated in Hope Center’s block party during which over 300 backpacks had been presented to community students and presented a certificate of appreciation to the Council for its efforts in supporting the block party.

CITIZEN COMMENTS

Michael Hansing, resident, stated he didn’t know members of the Council but believed he shared common ground with several of them in that he also had a desire for Clearfield to move in a positive direction to be an attractive community. He reported he had been involved with discussions with the Development Services Manager regarding proper property for potential development.

Mr. Hansing reported he had also purchased homes located within the City as rental homes and expressed concern about the City’s current ordinance which required a deposit for each utility account. He requested the Council consider amending the ordinance.

Mayor Pro Tem LeBaron responded staff could only enforce the current ordinances which have been approved and stated there was a procedure in order for an ordinance to be changed. He encouraged Mr. Hansing to address his concerns with the City Manager.

APPROVAL OF RESOLUTION 2015R-26 REQUESTING RECERTIFICATION OF THE CLEARFIELD JUSTICE COURT BY THE UTAH JUDICIAL COUNCIL AND THE JUSTICE COURT STANDARDS COMMITTEE

Utah law required the City to apply for recertification of its Justice Court every four years. Part of that process included a resolution from the sponsoring governmental entity requesting the recertification and committing to continue compliance with the applicable operational standards and requirements for the next four-year term.

JJ Allen, Assistant City manager, stated the Court’s current certification would expire in February 2016 and reported part of the process required the City Council to approve a Resolution applying for the recertification. Mr. Allen reviewed the other documents which were required to be submitted for the recertification.

Brian Brower, City Attorney, stated the opinion letter would accompany the Resolution in addition to the affidavit from the Justice Court Judge.
Councilmember Young moved to approve Resolution 2015R-26 requesting recertification of the Clearfield Justice Court by the Utah Judicial Council and the Justice Court Standards Committee and authorize the Mayor’s signature to any necessary documents, seconded by Councilmember Bush. The motion carried upon the following vote: Voting AYE – Councilmembers Benson, Bush, Jones, LeBaron and Young. Voting NO – None.

APPROVAL OF RESOLUTION 2015R-27 AUTHORIZING THE DISPOSAL OF PROPERTY HELD BY THE CLEARFIELD POLICE DEPARTMENT

The Clearfield Police Department had a need to dispose of unclaimed evidence and property that had exceeded the 90 day waiting period as required by law and for which the owners were unknown. Pursuant to Title 77, Chapter 24a of the Utah Code of Criminal Procedure, the police department is seeking permission from its legislative body to apply said property to a public interest or sell said property at public auction through Public Surplus and then apply the proceeds to a public interest use.

Greg Krusi, Police Chief, explained the City had several items which had been collected as evidence over several years and had unsuccessfully attempted to locate rightful owners. He stated the Public Works Department had expressed interest in some items which it could use in the course of its required work while the remaining items would be sold on the Public Auction website with the proceeds going toward the General Fund.

He mentioned any individuals who had located any of the listed items had been contacted and reported one individual was deceased and the other individual was no longer interested in the item which had been found.

Brian Brower, City Attorney, reported the process was similar to the unclaimed bicycle donation.

Councilmember Bush moved to approve Resolution 2015R-27 authorizing the disposal of unclaimed lost or mislaid property held by the Clearfield Police Department and authorize the Mayor’s signature to any necessary documents, seconded by Councilmember Benson. The motion carried upon the following vote: Voting AYE – Councilmembers Benson, Bush, Jones, LeBaron and Young. Voting NO – None.

APPROVAL OF RESOLUTION 2015R-28 APPOINTING POLL WORKERS FOR THE MUNICIPAL ELECTION

State Law (U.C.A. § 20A-5-602 and § 20A-5-301) required the City Council to appoint poll workers prior to a municipal election. The Municipal General Election would be held on November 3, 2015.

Nancy Dean, City Recorder, stated the City was conducting a by mail election; however, City Hall had been designated as a Vote Center for the November 3, 2015 election requiring poll workers to conduct the election on Election Day.
Councilmember Bush inquired if there was any way to consolidate the approval in order for the Council to not have to address the issue every two years. Brian Brower, City Attorney, suggested the names had been identified by the County Recorder’s Office which generally changed from year to year.

Councilmember Benson moved to approve Resolution 2015R-28 appointing poll workers for the Municipal General Election as recommended by the City Recorder and allow the City Recorder to make additions and corrections as needed and authorize the Mayor’s signature to any necessary documents, seconded by Councilmember Jones. The motion carried upon the following vote: Voting AYE – Councilmembers Benson, Bush, Jones, LeBaron and Young. Voting NO – None.

Re: Fiscal Year 2016 October Budget Amendments

Recommended Action
Staff recommends the City Council approve the FY 2016 budget amendments.

Description / Background
The attached table below lists actual and proposed expenditures that do not have or exceed FY 2016 budget authority and require budget amendments as allowed by Utah Code Title 10 Chapter 6 Section 124 to 129.

The proposed General Fund amendments use unrestricted fund balance for a total of $8,500.

The General Fund would see an increase of $114,282, from transfers in from RDA 7, and the Water and Sewer Fund. This amendment will result in the General Fund paying no portion of the ’03 and ’06 Sales Tax Bond debt service, but the Water and Sewer funds will increase its portion from 7.6% to 17%. The CDRA will pay 83% and the Water and Sewer Funds will pay 17% of the bond payment. This allocation is in line with the original intent of debt service payments for the Sales Tax Bond.

DISCUSSION ON THE TAX INCREMENT FINANCING AGREEMENT FOR THE SANDRIDGE LUXURY APARTMENT DEVELOPMENT LOCATED IN THE VICINITY OF 50 SOUTH DEPOT, 70 SOUTH DEPOT AND 100 SOUTH DEPOT

JJ Allen, Assistant City Manager, reminded the Council of a previous work session regarding the developer’s request for the use of tax increment and the Board’s subsequent support of the request. He reported the estimated construction costs of the project were $14 million and indicated since the tax code allowed residential property to receive a 45 percent discount that would mean 55 percent of $14 million was equivalent to $7.7 million if the assessment was the same as the construction costs. Director Bush clarified this wouldn’t include the commercial component.

Mr. Allen reported the project should be substantially completed by the end of June 2016, appear on the tax roles in 2017, taxes would be paid in November 2017, City would receive first
increment of tax disbursement in the spring of 2018, and within 30 days a check would be cut for the developer’s incentive.

Mr. Allen informed the Board that the developer had requested 100 percent of the available tax increment, after the City had retained five percent for administrative costs, meaning 95 percent would go to the developer as an incentive. He explained if the first payment to the developer took place in fiscal year 2018 that would also be the first year in which Davis School District dropped off the project area. He estimated the annual incentive payment to the developer would be approximately $52,000 per year, for a period of seven years, at which time the project area would expire completely. He clarified the total incentive would be approximately $365,000.

Chair Young expressed concern the developer was requesting the full 100 percent of the increment. Adam Lenhard, City Manager, believed the project would be an asset to the City and would be a visible downtown improvement. He suggested the project had the potential to generate additional downtown development. Director Shepherd expressed his opinion the project would contribute positively to the City’s image. Mr. Allen agreed with Director Shepherd’s comments and stated if the facts were different and there wasn’t just seven years left in the project area, it would be difficult to argue for 100 percent. He continued that given the fact that only seven years remain to receive tax increment from the project area and the development would be a great addition to the downtown area, he was comfortable with the request. Director Jones expressed agreement with Mr. Allen’s comments and stated he was excited about the new project. A discussion took place regarding whether the City would need the funds now or later and if the Board should consider adjusting the selling price of the property as opposed to contributing the tax increment request. Mr. Allen pointed out the money generated by RDA#7 had to remain in that project area and shared different options. Mr. Lenhard expressed his opinion it would be better to proceed as originally planned. The Board agreed to consider the developer’s request of 100 percent of the tax increment.

APPROVAL OF RESOLUTION 2015R-05 AUTHORIZING THE TAX INCREMENT PARTICIPATION AGREEMENT WITH CLEARFIELD PROPERTIES, LLC, ASSOCIATED WITH THE SANDRIDGE LUXURY APARTMENTS DEVELOPMENT

The Sandridge Luxury Apartments were the culmination of the City’s efforts over several years to accomplish redevelopment in the downtown area of the City. In order to make the project financially viable, the developer had requested a tax increment incentive. The incentive would be post-performance and contingent upon the developer’s timely performance of the terms of the Development Agreement. The project would be substantially completed by the end of 2016. If so, the first distribution of the tax increment from the project would take place in the spring of 2018.

JJ Allen, Assistant City Manager, informed the Board during initial discussions with the developer regarding the project tax increment from the CDRA had been requested to assist in the project’s success. He reported staff had suggested the developer be specific in the amount of tax
increment being requested. He reminded the Board the issue had been previously discussed during the August 18, 2015 work session. He announced the submitted request was for one hundred percent of the available tax increment and suggested the Board consider the following:

- The incentive would be post performance; nothing would be disbursed until the project was built and taxes were being collected.
- Window for collection of tax increment was quite short, anticipating only seven years and by that time the participation of the Davis School District would be lost in RDA7. He continued the current estimates for tax increment were based on the construction costs of $14 million dollars and the taxable valuation of approximately $7.7 million equating to approximately $50,000 of available tax increment every year which would be provided to the developer as an annual incentive. He emphasized the assumptions which were used to calculate the estimated figures were based on the project being completed by the end of 2016 and on the tax rolls by 2017 with the first incentive payment being made in the Spring of 2018. He pointed out staff wouldn’t know the exact numbers until the above presented criteria was available.

Mr. Allen reviewed the following:

- The incentive was one hundred percent of the available tax increment and that language had been included in the agreement.
- The CDRA did retain five percent of the received increment for administrative purposes.
- The CDRA was selling the property for $450,000 which could be used to assist with other things happening in the project area.

Mr. Allen referred to the redlined Tax Increment Participation Agreement which had been provided to the Board and didn’t believe there was a need for any language corrections other than pointing out the change associated with modifying 3800 square feet to 4500 square feet of commercial space other than minor language associated with the exhibits. He emphasized the intent of the agreement would remain exactly as presented.

Director Bush inquired if the $450,000 would be received in a lump sum payment. Mr. Allen responded in the affirmative and believed closing for the sale of property would take place on or before Friday, September 11, 2015.

Chair Young commented he was originally surprised at the original request for one hundred percent of the increment; however, after the explanation that it would be short term, it made sense to him. He expressed his optimism the project would be a significant improvement to the downtown area.

Director Shepherd moved to approve Resolution 2015R-05 authorizing the Tax Increment Participation Agreement with Clearfield Properties, LLC, associated with the Sandridge Luxury Apartments development and authorize the Chair’s signature to any necessary documents, seconded by Director Bush. The motion carried upon the following vote:

There being no further business to come before the Community Development and Renewal Agency, Director Bush moved to adjourn as the Community Development and Renewal Agency at 8:40 p.m., seconded by Director Shepherd. The motion carried upon the following vote: Voting AYE – Directors Benson, Bush, Jones, LeBaron and Shepherd. Voting NO – None.
A RESOLUTION APPROVING AND ADOPTING AMENDMENTS TO THE 2015/2016 BUDGET AND APPROPRIATING FUNDS FOR THE PURPOSES SET FORTH THEREIN

WHEREAS, Clearfield Community Development and Renewal Agency has identified some expenditures that are necessary for its operations which were not included in its current budget; and

WHEREAS, Utah State Code allows the Board to make adjustments to the budget; and

WHEREAS, after providing proper notice, a public hearing concerning this matter was held and the public was given an opportunity to be heard; and

VOTE OF THE BOARD

AYE:

NAY:

EXCUSED:
I. RECOMMENDED ACTION

Approve the purchase of 75 North Main Street (Tax ID# 12-020-0018) for $45,000.

II. DESCRIPTION / BACKGROUND

The vacant building located at 75 North Main Street has been offered to the City/CDRA for a purchase price of $45,000. Acquiring this property is consistent with the following tactics from Vision 2020:

- Work with owners of key properties with strategic value and high visibility throughout the City to create plans for redevelopment or improvement of their property.
- Revitalize/facelift rundown downtown properties using redevelopment money, federal grants, etc.

Purchasing the property will also alleviate a difficult situation between this property and the business to the north (Albion Labs), dealing with parking. If acquired, the property would be held by the CDRA for redevelopment at a future time.

III. FISCAL IMPACT

The CDRA has sufficient funds available to make this purchase (and to demolish the building). Because this expenditure was not included in the FY16 budget, it is included in a budget amendment at this same (October 27) meeting.

IV. SCHEDULE / TIME CONSTRAINTS

The attached Real Estate Purchase Contract includes a 30-day due diligence period, with closing to occur within 15 days after due diligence.

Before Settlement, Buyer may, upon reasonable notice and at a reasonable time, conduct a final pre-closing inspection of the Property to determine only that the Property is “as represented,” meaning that the items referenced in Sections 1.1, 8 and 10.2 and 10.3 (“the items”) are respectively present, repaired/changed as agreed, and in the warranted condition. If the items are not as represented, Seller will, prior to Settlement, replace, correct or repair the items or, with the consent of Buyer (and Lender if applicable), escrow an amount at settlement to provide for the same. The failure to conduct a final pre-closing inspection or to claim that an item is not as represented, shall not constitute a waiver by Buyer of the right to receive, on the date of possession, the items as represented.

If Seller defaults, in addition to return of the Earnest Money Deposit, Buyer may elect either to accept from Seller a sum equal to the Earnest Money Deposit as liquidated damages, or may sue Seller to specifically enforce this Contract or pursue other remedies available at law.
